### ACTOR'S AWFUL ACT.

Sensational Attempt to Suicide Is Made by Thespian.

### SENSATION IN SALOON

Rankin Duvall Takes a Cheese Knife and Pressing Point to Abdomen Falls Upon Blade, Afterward Stabbing Himself.

New York, Dec. 13.—A sensational attempt to suicide was made in a Sixth avenue saloon Thursday by a man who described himself as Rankin Duvall, an actor, forty years of age. Duvall entered the saloon, and, walking up to the lunch counter, picked up a long-bladed cheese knife. He turned to the bartender with the question, "May I use this?" "Certainly," replied the bartender, thinking he was about to carve some cheese for himself. Instead, to the horror of the people in the saloon, he unbuttoned his coat and vest, and, pressing the point of the knife to his abdomen, threw himself heavily to the floor, so that the big blade ripped his body. Before any of the men close by could spring upon him and wrest the knife from him he had thrust the weapon twice more into the frightful wound.

Duvall did not lose consciousness, and when asked why he had done such a thing replied, "O, I am a criminal; that's all." At the hospital, where Duvall was taken, it was said he had only a slight chance for recovery.

Duvall is said to be the son of a Baltimore merchant. He recently played in "Darling of the Gods," in the last act of which he nightly was supposed to commit suicide in the Japanese fashion. At the hospital he said he lately had been playing in "Madame Butterfly."

### Has Close Call.

Austin, Dec. 13.—Dr. A. E. Ayres of Dallas had a narrow escape from death near Watters Station, this county, when a load of cotton, upon which he was riding, tumbled over, throwing him to the ground and buried him beneath the load. Fortunately he was not seriously injured. He came here to attend the funeral of Higgins Holman.

### HELD CONFERENCE.

Expelled Secretary Arrives at Rome and Proceeds to the Vatican.

Rome, Dec. 13.—Immediately after his arrival here Mgr. Montagnini, the expelled secretary of the papal nunciature at Paris, went to the Vatican and conferred with the papal secretary of state, Merry del Val, and Mgr. Della Chiesa and Mgr. Gaspari, assistant secretaries, and made them a long report on the situation in France, especially in regard to documents seized at Paris nunciature, several hundred of which deal entirely with the France Roman Catholic church conflict, and will be especially interesting to the French government as showing, it is asserted here, the differences of opinion among members of French episcopacy. The report of Mgr. Montagnini will be used for a protest to the foreign powers against the action of the French government. Immediately after his conference with Cardinal Merry del Val, Mgr. Montagnini went to the pope, who asked for minute details of the secretary's expulsion and of documents seized. Mgr. Montagnini expressed the distress which he felt as the result of his expulsion and presented to the pontiff rather a dark picture of the situation, saying he believed the present French government will be induced to change the attitude which it had assumed toward the church.

### CHILD LABOR IN SOUTH

Matter Came Before National Civic Federation Meeting.

### GOES TO COMMITTEE

Speakers Asserted That In Some Instances Those Desiring to Investigate Were Prohibited From So Doing.

New York, Dec. 13.—Well nigh 250 persons in attendance, including some of the best known men in all walks and all professions of life, the National Civic Federation began its fifth annual meeting in the Park Avenue hotel. Among those present were: Andrew Carnegie, Cornelius N. Bliss, Oscar S. Strauss, Nicholas Murray Butler, Archbishop Ireland, Bishop Potter, ex-Governor David R. Francis, Henry Phipps, Clarence H. Mackay, Samuel Gompers, John Mitchell, Rev. Dr. Washington Gladden, Clark Howell and John Speyer.

The meeting was called to order by August Belmont, president. In his opening address Mr. Belmont urged the appointment of a committee to investigate the problems growing out of the accumulation of great fortunes.

John Mitchell said: "We must seek to avoid the evils of Federal injunctions." He was vigorously applauded.

Ellison A. Smith, president of cotton mills in South Carolina, declared that he would refute the charges against child labor in the southern cotton mills. He said the custom in the south was to employ whole families, and that unless the children are employed, the rest of the family cannot be hired.

D. A. Tompkins of Charlotte, N. C., reviewed the condition in the south. He did not believe that child labor

could be done away with through legislation, but thought that the problem would have to be solved as had other serious problems.

John Golden, president of the Textile Workers of Fall River, said that some four years ago he was commissioned by the American Textile Workers to study the conditions in South Carolina, and he contemplated visiting a certain mill, but was warned from doing so that the owner had sworn to shoot the first northern man that came down there interfering with his help.

Mr. Gompers, the last speaker, said that when he sent James Leonard of New Orleans to one of the towns of Mississippi for the purpose of trying to make an investigation of the condition of the cotton operatives there, Leonard was quietly informed that unless he left the state at once he would be escorted by the police. "One of the representatives of the city government, I believe the mayor," added Mr. Gompers, "appointed a gentleman to entertain Mr. Leonard on the train on his way to beyond the borders of the state."

A resolution was adopted providing that the presidents of the American Federation of Labor, the General Federation of Women's Clubs, the National Educational association, the American Economic association and the National Child Labor committee and others be invited to name seven members to act with a like committee of the National Civic Federation as a commission to make a thorough investigation of the whole subject of child labor in the United States.

### SUFFERED NO LOSS.

Yards of the Union Lumber Company Were Not Fire Damaged.

San Francisco, Dec. 13.—In reporting a fire on Aug. 7 in the lumber district it was erroneously stated that the Union Lumber company of this city suffered severe loss. While the yards of the Union Lumber company were threatened, the fire did not reach them, and the company suffered no loss whatever.

### POWERFUL INFLUENCES.

These Are Being Exerted In Behalf of Mrs. Birdsong.

Hazelhurst, Miss., Dec. 13.—Powerful influences are being moved to have Mrs. Aggie Birdsong, convicted of manslaughter for killing Dr. Thomas Butler, United States Senator McLaurin, her uncle, has arrived at Hazelhurst to help her, and another uncle, A. Q. May, former state treasurer of Mississippi, is also here. Leading business men, state and county officials and members of the clergy have signed a petition to the court to grant Mrs. Birdsong bail until the appeal for a new trial is decided upon. Local business men say they will furnish the young woman bail without leaving the courtroom, even if the amount is \$100,000. Two of her jurors have written the court asking that the lightest possible penalty be imposed.

### Canoe Wins Out.

Washington, Dec. 13.—Representative Garner has won his fight for Turtle Cove channel, connecting Corpus Christi with deep water at Aransas Pass. After years of sparring with the board of engineers he has been advised that the board decided to report favorably on an eight and one-half-foot channel at a cost of \$123,000.

### St. Cyr Tucker Dead.

Guthrie, Dec. 13.—Professor St. Cyr Tucker, a member of the Iowa tribe of Indians, and a graduate of Carlisle and Cornell universities, died here of consumption. He was principal of the colored schools here, and was formerly connected with the faculty of the Langston negro university.

### Found Guilty.

New Orleans, Dec. 13.—A. C. Collins and J. F. Barrow of the "Co-operative Turf association" were found guilty of using the mails to defraud. The association secured money from all parts of the country ostensibly to bet on inside information "on New Orleans races."

### Nervous Breakdown.

Hazelhurst, Miss., Dec. 13.—Motion for a new trial for Mrs. Angie Birdsong, convicted of manslaughter for killing Dr. Thomas Butler was filed late Wednesday. The young woman is seriously ill, having suffered a complete nervous breakdown.

### BROWN PASSES AWAY.

Victim of Mrs. Bradley's Revolver Succumbs to Wound.

Washington, Dec. 13.—Former United States Senator Arthur Brown of Utah, who was shot in his apartments Saturday afternoon by Mrs. Anna M. Bradley of Salt Lake City died at midnight Wednesday night at the Emergency hospital.

Mr. Brown's life was prolonged several hours by the injection of a salt solution and by administering oxygen. General Charles White, superintendent of the hospital, declares that the case is one of the most remarkable that has ever come under his observation. Death was due to complications brought on by kidney trouble, and not to poison as a result of the wound.

The shock of the bullet wound, however, had aggravated the affections of the kidneys until these organs refused to perform their functions.

One of the assistant district attorneys made another fruitless effort Wednesday night to secure an antemortem statement, but Mr. Brown refused to talk.

Max Brown and Miss Alice Brown of Columbus, O., the former senator's son and daughter, were at his bedside when he expired. He had been unconscious several hours. The body will be taken to Salt Lake City for burial.

Mrs. Bradley is on the verge of collapse, and her physicians say that it may be several days before she will be able to appear in court.

Mrs. Anna C. Adams, mother of Maud Adams, the actress, will accompany the body to Salt Lake City. Mrs. Adams' name has been brought into the cause in connection with the letters she wrote Brown, and which were found in the possession of Mrs. Bradley when she was arrested. The former senator's son says Mrs. Adams has long been a friend of the family.

### CONSIDERABLE STOCK.

Directors of Great Northern Railway Take Important Action.

New York, Dec. 13.—At a meeting of the directors of the Great Northern railway it was decided to authorize an increase of \$60,000,000 in the company's stock and give stockholders an opportunity of subscribing therefor at par. The present amount of Great Northern stock outstanding is nearly \$150,000,000, so the new issue, when it becomes stock, will bring the total amount up to \$210,000,000.

According to a statement given out the proceeds "from the new stock will be used to pay for additional shipment, for additions to and improvements of existing lines and for acquisition by purchase of their securities or otherwise such lines as the directors may decide to be necessary."

### CURL'S PROPOSITION.

If Adopted, Oklahoma May Embark In Any Business Enterprise.

Guthrie, Dec. 13.—The proposition by Mr. Curl that the state shall have the same rights accorded to corporations and individuals is based upon experience of Kansas. When Kansas wanted to go into the refinery business as against the trusts it was found the constitution gave the state no right to do so. If Mr. Curl's ideas is adopted Oklahoma may embark in any enterprise it desires.

### DUEL AND DEATH.

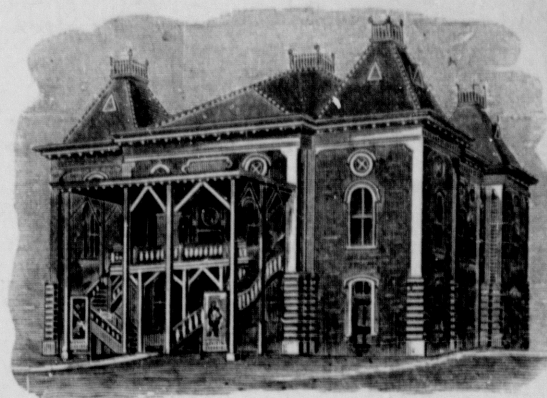

M. L. Bradford Was Either Killed or Committed Suicide.

Bristow, I. T., Dec. 13.—M. L. Bradford of Parson, I. T., was killed or committed suicide at the home of his brother-in-law, S. L. Clemons, after a duel over family affairs. Bradford came to Bristow to kill Clemons and his wife. He started to fulfill his mission, and the men exchanged shots. Then Bradford, according to the story of witnesses, turned his revolver on his own head and fired a fatal shot.

President Jordan of the Southern Cotton association urges planters to hold on to their cotton. He says the government bureau has badly overestimated the crop.

ing in Judging Live Stock  
Under Present Conditions.

College Station, Tex., Dec. 12--  
Prof. F. R. Marshall and his team  
of stock judges have just returned  
from the International Fat Stock  
Show at Chicago. The team which  
was composed of A. C. Burns, E.  
P. Van Zandt, W. W. White, J.  
M. Chambers and R. H. Hodges,  
made a creditable showing, though  
not as good as Texas should make  
in a contest of that sort. In judg-  
ing horses Texas took second  
place, being beaten only by Iowa,  
and defeating Ohio which took first  
place last year. In judging hogs  
the Texas team was beaten by  
three teams, but defeated Iowa,  
which is usually very strong and is  
situated in the very heart of the  
corn and hog belt. In judging cat-  
tle and sheep this institution did  
not show up so well and dropped  
to sixth place.

While the team has returned not  
without honors, it is freely admit-  
ted that Texas should do much  
better. With live stock interests  
valued at nearly \$300,000,000, Tex-  
as is the leading cattle producing  
state, and her sons should be able  
to compete with the best the coun-  
try affords in a contest where  
knowledge of live stock is required.  
That they have not done so is not  
the fault of the students, Prof.  
Marshall asserts, as they are as  
capable and earnest as any young  
men in the country. The whole  
trouble is that with the present  
equipment in live stock it is abso-  
lutely impossible for students to be  
given the highest type of training  
in stock judging and kindred sub-  
jects here at the Texas Agricultural  
and Mechanical college. Ability  
as a stock judge results from an  
absolute familiarity with the best  
types of animals of various kinds  
and different breeds. The defici-  
ency in the equipment of the col-  
lege in this important particular  
has been remedied in part by al-  
lowing the classes in animal hus-  
bandry to visit the fairs and study  
the animals on exhibit there, but  
this plan is very unsatisfactory to  
the teacher and expensive for the  
student.

From L. S. Ross Chapter United Daugh-  
ters of the Confederacy.

WHEREAS, in the preparation for enter-  
taining the Texas Division of U. D. C.  
during the late convention held in this  
city, L. S. Ross chapter received such  
valuable assistance as resulted in gratifying  
success, therefore be it

RESOLVED, That we, the members of  
said chapter, do hereby extend our sincere  
thanks and appreciation to those gentlemen  
of Bryan who extended us such generous  
and timely aid, both financial and execu-  
tive; to the Honorable Order of Elks for  
the handsome reception by which they  
complimented the convention; to Gen.  
Stoddard for his valuable assistance; to the

Mrs. G. S. Parker; to the Ministers of the  
Gospel, the Musicians, and others who  
aided in making the program attractive;  
to the Choral Club for the fine musical

### Sandy Point.

To the Eagle.

As no items have appeared from  
this neighborhood for some little  
time, I will endeavor to write. Can  
I say an interesting letter? I think  
not, for it is practically impossible  
to find any general term, that will  
sufficiently and justly describe a  
writer's real position, when he un-  
dertakes to write a newsy and in-  
teresting letter, and find that no  
news has actually occurred worth  
relating.

Crops are all about gathered, but  
still our farmers are very busy,  
building houses and fences, plant-  
ing out orchards, and general im-  
provements, which seems to indi-  
cate the progressiveness and pros-  
perity of our community.

Mrs. R. Smith visited this com-  
munity the past week.

Miss Cora Dulaney, accompanied  
by Miss Tina Steele, visited home-  
folks Saturday and Sunday.

Mr. Lon Parker has returned

Miss Erin Simpson is on the sick  
list, but is some improved.

### GADDY'S TRAGIC END.

Noted Baptist Divine Falls Off a Katy Train and Soon Expires.

Austin, Dec. 13.—Rev. J. M. Gaddy, D. D., field secretary of the Texas Baptist State association, and one of the most prominent clergymen of that faith in the state, aged about fifty-four years, was killed about 4 o'clock Thursday morning by falling off a southbound Missouri, Kansas and Texas passenger train. He was in a sleeper and got out of his berth and walked to the platform and fell off the train, which was going twenty miles per hour. He was in company with his son-in-law, Rev. Frank Norris, of Dallas, and they were en route to San Antonio, where Dr. Gaddy was to be placed in the Moody sanitarium to be treated for nervous prostration.

Dr. Norris did not discover that his father-in-law was not on the train until it reached San Marcos, and then he returned immediately on the northbound International and Great Northern train to Austin. In the meantime, Dr. Gaddy had been picked up by an International and Great Northern local train and brought to Austin. While he was not run over by the train, the effects of the fall caused internal injuries which caused his death just as he was brought into Austin. He was taken into an undertaking establishment and his body prepared for shipment to Dallas. Dr. Gaddy was formerly of Waco and was an uncle of Mrs. B. F. Teague of Austin, wife of the chief clerk of the tax end of the comptroller's department. Mesdames Frank Norris and W. E. Brittain of Dallas are his daughters.

### THREE BOYS HURT.

One Has His Skull Crushed and May Not Survive.

Denison, Dec. 13.—Neither Conductor Barton or Brakeman Cobb of the Katy were killed at Watauga, as reported. Burton was quite seriously injured. Cobb was slightly hurt. Two persons in the caboose were badly bruised. Barton and Cobb are long residents of this city.

Three runaway boys named Floyd and Leonard Price, brothers, and Henry Freels, all of this city, were in the wreck. Floyd Price had his leg broken and had a bad wound on his head. Leonard Price was hurt on the right leg and received a scalp wound, and Henry Freels had his right leg broken and skull crushed. He may die. Brakeman Raspberry of the Katy was hurt, but the extent of his injuries is not known.

A Texas and Pacific freight ran into a Katy local.

### HEARING DATE SET.

Jan. 7 Is Time Fixed to Hear Complaints of Cattle Raisers.

Washington, Dec. 13.—The interstate commerce commission has set for hearing at Chicago on Jan. 7 the case of the Cattle Raisers' Association of Texas against the Missouri, Kansas and Texas and other railway companies, alleging unreasonable differences in rates on interstate shipments of cattle and other livestock. At the same time the commission will hear the case of the same association against the Chicago, Burlington and Quincy and other railways. In the latter case is involved the legality of terminal charges on carload shipments of cattle at Union stockyards, Chicago, which also comes up incidentally in the first named case.

### NOW UP TO HIGGINS.

Appeal of Patrick Dismissed by the United States Supreme Court.

Washington, Dec. 13.—The case of Albert T. Patrick, convicted of the murder of William Marsh Rice, and now under sentence of death, against the state of New York, was dismissed in the supreme court of the United States on motion of his counsel, ex-Senator Lindsay. The appeal of Patrick to Governor Higgins of New York for commutation of sentence is now in order.

Proceedings in court were very brief and consisted of formal motion immediately followed by action of the court. It is understood the court took this action in order to clear the way for Governor Higgins to commute Patrick's sentence to life imprisonment.

### PARDON SEEKERS.

Numerous Persons Are at Austin in Behalf of Unfortunates.

Austin, Dec. 13.—Christmas pardon-seekers are here by the score seeing the governor. According to custom, the governor usually issues a limited number of pardons at Christmas.
